

MOKOKCHUNG COLLEGE OF TEACHER EDUCATION YIMYU-MOKOKCHUNG, NAGALAND

1. Introduction of the College

MCTE-Administrative Building

The Mokokchung College of Teacher Education came into existence on 22nd Feb 2012. Established by the Government of Nagaland (Department of Higher Education) at Yimyu, Mokokchung and started the first academic session in the year 2012 with 1 (one) year B.Ed programme till 2014.

The college started functioning in a borrowed infrastructure belonging to DIET-Mokokchung. MCTE permanent Administrative Building was inaugurated on 12th December 2014 and the academic session of 2 years B.Ed programme started functioning in the new building with effect from 1st July 2015.

The main objective of the college is to bring quality teacher education for secondary and higher secondary teachers (in-service and pre-service) from Mokokchung, Longleng, Zunheboto, Mon and Tuensang. With this objective, the college is preparing and equipping the teacher trainees from 5 (five) districts of the state to be more competent, dedicated and committed human facilitators of learning while at the same time promoting research, providing extension services and leadership in the educational system.

2. Academic Achievement

Nagaland University introduced a 4 (four) semester system in the teacher education programme with a duration of 2 (two) years programme in 2015 and it is noteworthy to highlight here that the B.Ed student of MCTE, Yimyu-Mokokchung 1st batch (2015-17 batch) got the highest number of TOPPERS in the recent Nagaland University (2017) declared result. Out of 8 (eight) colleges of teacher education in Nagaland, 11 (eleven) students of MCTE,

Yimyu, Mokokchung was placed in 20th Topper position, and for which the college organized a felicitation programme and award “*Certificate of Merit*” to all 11 (eleven) toppers on 27th Sept. 2017 at MCTE, Conference Hall.

Total Appeared = **76**
 Total Cleared = **63**
 Total Percentage = **82.89%**
 Total number of Toppers = **11 (eleven)**

It is our sincere hope that even the present 2nd batch (2016-18) and 3rd batch (2017-19) of 2 years B.Ed students of MCTE will maintain this distinction.
